Multimedia Permission & Use of Copyrighted Material Form

For Official NSF Use Only

Thank you for submitting your multimedia material (such as still image, photo, illustration, animation, video and/or audio) for use by the National Science Foundation (NSF). This form serves to verify that you own the copyright and hereby grant NSF permission to use your material in the manner described below. In view of your rights under U.S. Copyright laws, please check one of the following options, sign below and email to your contact at NSF:

☒ **NSF and External Use**

By checking this option and signing below, you certify that you hereby grant NSF permission to use and distribute your multimedia material described below on a royalty-free basis for news and public-information purposes at NSF's discretion. Such uses include, but are not limited to, posting the material on the NSF Multimedia Gallery Web site (thereby making it generally available to such outlets as news organizations, universities, teachers and the general public) and distributing the material to other Web sites for educational and/or informational purposes. NSF agrees to post in the Multimedia Gallery any restrictions stated on this form.

☐ **NSF News or Public-Information Use Only**

By checking this option and signing below, you certify that you hereby grant NSF permission to use your multimedia material **only** in conjunction with distribution of official agency news or public-information products (including press releases and speeches by NSF officers) about NSF-supported research and education, and for no other purposes.
