About Portfolio Current awardees **∨** Apply for funding

#### **Current awardees**

### Phase I: all active awardees ~

329

Number of companies with active awards

## Phase I seed funding

\$224,567

Average \$ amount of funding awarded for each company

44

From 44 states and territories including Washington DC and Puerto Rico

Another stat goes here. Maybe % 1st-time awardee? Avg age of company?
