How to apply

(1)

Determine eligibility

Make sure your company is incorporated and meets these work requirements.

 Your company must be a legal entity at the time you apply for funding.

• At least 50% of your company's equity is owned by U.S.

- citizens or permanent residents, and all funded work must take place in the United States (including work done by consultants and contractors).

 The project's designated lead (Principal Investigator) must be
- The project's designated lead (Principal Investigator) must be legally employed by the company seeking funding. The project lead needs to commit to at least 20 hours of work per week and at least one month (173 hours) of work on the funded project. The lead doesn't need any advanced degrees.
- Finally, you can designate a university faculty member as the lead only if they can commit at least 20 hours a week on the project.

90 days before the deadline

Call for proposals (Solicitation) officially released.
